

PERSONALIZED COMFORT

Fujitsu mini-split heating and cooling systems offer year-round whole-home comfort, in most climates. These systems are flexible for many types of applications. They can heat or cool up to 8 different spaces and offer a quiet, peaceful environment.

- **Indoor Style for Every Décor**
Choose from wall mount, floor mount, slim duct or ceiling cassette depending on your needs.
- **Lower Utility Bills** High efficiency ratings translate to energy savings.
- **Quiet, Peaceful Environment** Indoor and outdoor units operate so quietly you'll never be disturbed.
- **Individual Zoning** Allows you to heat or cool up to 8 different spaces. Be comfortable in the rooms you're using, and not the areas that are unoccupied.
- **Rebates** Many local utility companies offer money back for the purchase of energy efficient products.
